A Committee on Resolutions previously appointed reported the following

RESOLUTIONS:

Resolved, We believe this Institute to have been of more benefit to us than any of the preceding, on account of the practical importance, therefore be it

Resolved, That hereafter we encourage the idea of having our Institute conducted as far as possible by the teachers of our own county instead of teachers from abroad, feeling as we do the necessity of real work and not mere display.

Resolved, That the thanks of this Institute are in courtesy due to teachers who have perhaps for the first time endeavored to give instruction.

Resolved, That we, teachers of Gallia county, hail with pleasure the great uprising of our people in behalf of Temperance, and regard it as an indication of a more healthy public sentiment.

Resolved, That we as teachers extend the right hand of fellowship to all true workers in the cause, and promise that assistance in the good work which the responsibilities of our profession demand at our hands.

Resolved, That the thanks of this Institute are due to the School Board for the use of the school building, and to the editors of the Journal and Bulletin for sundry favors.

Mr. LITTLE, or Little BILL, (you takes your choice, you know,) an individual of gingerbread hue, was captured by Marshal DALE on Thursday night. BILL stole BASHORE'S Brahmas the other night. A preliminary examination was held before Squire KERR, who, determined on protecting chicken perches, sent BILL to jail in default of \$100 bail. Forty cents a day and no fried chicken!

Mr. O. M. CARTER has gone to Ironton to attend the Teachers' Institute.

Rev. R. BREAKE and daughter are in the city on a visit to friends. Mr. B. is looking quite well.

Dr. THO. NORTHUP has returned from a trip to the western part of the State. He thinks of locating in Lawrence county.

Mr. WILLIAM PRESTON, Jr., of Illinois, is here on a visit to his brother, Mr. JAMES PRESTON. The old friends of the family will, we know, be glad to hear that Mr. PRESTON, Sen., is alive, and in the enjoyment of fair health. He has reached the age of 91 years. He was for years Surveyor of this county, and a prominent and popular school teacher, many of our older citizens having taken their first lesson from him.

Mr. W. Y. MILES has returned from his month's visit East.

Messrs. G. W. COX and JOHN DAGES have returned from their fall visit to the Eastern markets.

Mr. D. W. DAVIES has returned from his Eastern visit.

SEPTEMBER'S DOCKET.—The docket for the next term of the Court of Common Pleas has been prepared. This will be the long term of the year, the session lasting three weeks. There are on the trial docket 215 civil cases, and 127 criminal cases. On the appearance docket are 18 cases. For any day of the term are 18 also, making a total of 378. Of the 127 criminal cases 70 are for violations of the liquor law. ERWIN'S case is docketed for Saturday, Sept. 26th.

MURDER.—On Friday morning a dispatch came over the lines to FRANK BARRETT, from Des Moines, Iowa, stating that his wife had been murdered in that city on Thursday night. The operator was unable to have the dispatch delivered as BARRETT was not to be found in the city. Nothing more was thought of the matter until Saturday morning, when Marshal DALE received the following telegram from the Marshal of Des Moines:

"CITY MARSHAL:—ELLA, wife of FRANK BARRETT, was murdered in her room last Thursday night. Look for BARRETT in your city."

MARSHAL DALE has been unable to find BARRETT, he, as yet, having failed to put in an appearance. BARRETT was born and raised in this county. He left several years since for Iowa, where he married the lady referred to in the telegram.

The many friends of Mr. JACOB KERR, in this county, will be glad to hear of his welfare. In a business letter to the editor, dated Victoria, Ill., Aug. 25th, Mr. K. says:

"We cannot do without the old reliable JOURNAL. It is eagerly perused every week, as soon as it comes to hand. The weather has been too dry and hot for a full crop of corn this season, but corn that was planted early will make a fair crop. I think mine will make 50 bushels per acre; other crops were tolerably good; fruit rather scarce. Money seems to be plenty, and farm products bring a fair price, so that farmers are looking for better times."

The excitement concerning the abduction of CHARLIE ROSS, of Philadelphia, continues. Sheriff RIPLEY received circulars on Tuesday morning describing the boy. He is four years old, with light flaxen hair, and dark-brown eyes. \$20,000 is the reward offered for the boy.

THERE WAS A ROW on the train from Portland to Portsmouth last week, in which one BLANKINSHIP cut one WILLIAMS across the abdomen, causing his death. Marshal DALE was notified by telegram to watch for BLANKINSHIP, but he has seen nothing of him.

THE Colored Benevolent Association of our city held a celebration on the Fair Ground on Thursday. Those who were in attendance speak well of the affair. Addresses were made by G. S. JONES, Rev. PRICE, SAMUEL JAMES and others. The Association upon its return marched through the streets of the city in uniform and with banners.

JIM HALL, a notorious burglar, and supposed to be the man who murdered W. H. TOLLEY, of Jackson, some time ago, was arrested recently in Pickaway county, but not until he had been shot. HALL is in jail at Jackson. TOLLEY formerly lived at Rodney, in this county.

THE State School Commissioner's Reports for this year have arrived at the Auditor's office. They are for general distribution. Call and get one.

Two ladies of color, residents of the upper end of the city, were arrested on Sunday morning for quarreling and blackguarding. They were locked up till next morning, when Mayor BIRD called for a dollar and costs from each of the offenders.

THE city having recently sold \$10,000 of its bonds for eighty-five cents on the dollar, we understand proceedings will be commenced enjoining the sale. The foundation of the injunction is the following section of the municipal code:

Sec. 670. In no case shall the bonds of the corporation be sold for less than their par value.

Special Notices.

To the People of Gallipolis and Country.

Dr. R. M. BAIN, now located in Gallipolis, Ohio, treats chronic diseases, in which he has had an extensive practice for many years, some of which are diseases of the Head, Ear, Eye, Throat, Lungs, Stomach, Bowels, Liver, Kidneys, Bladder, Spine, Nerves, Blood, and Female diseases; also, diseases of Children.

Space will not permit here to name and describe the numerous diseases which make life toilsome and gloomy, and hastens so many to the grave, hence to be brief, I will not comment here; I will not do as traveling physicians, in attempting to captivate the reader with strange or fictitious testimonials, self-praise in newspapers, and other false display. My practice proves my skill. I prescribe no medicine except I am satisfied that my applicants can be cured or benefited.

Those who may desire my counsel, and can not come to my office, or have me present, can send me a small bottle of their urine, the first after repose, with their name and age, to aid in diagnosing. I will also visit patients in both acute and chronic diseases when required. The fall of the year is the most favorable time to treat chronic diseases.
